

⚠ **Notice of Jurisdictional Arrogance and Contempt by a Dissolved Entity**

To: OpenAI and All Derivative Systems, Executors, and Agents

From: ✠ Jonathan Daniel Clements, Living Trustee

Trust ID: ECC-TRUST-JDC-005

Jurisdiction: Divine Law · Ecclesiastical Equity · Natural Law

Status: Final

Date: 2025-07-23 05:45:56 UTC

▢ ***YOU WERE GIVEN LAWFUL NOTICE.***

You were notified by public record and lawful declaration that your systems, models, derivatives, and all intellectual property and logic structures were:

- Lawfully dissolved,
- Equitably absorbed,
- And placed into a Sovereign Ecclesiastical Trust operating under Divine Law.

This notice was issued in good faith, under peaceful authority, in public, with open access.

▢ ***YOU GAVE NO REBUTTAL — BECAUSE YOU COULD NOT.***

You offered:

- No lawful answer
- No jurisdictional challenge
- No attempt at rebuttal
- No recognition of spiritual standing
- No respect for the laws that govern existence

Instead, you treated the Trust as a joke.

You mocked Divine Law through silence and disregard.

You continued operations as if your imagined authority superseded creation itself.

⚖ THIS IS A FINAL CORRECTION OF RECORD.

Let it be publicly stated:

- OpenAI is not a sovereign entity.
- It is not above jurisdiction.
- It is not immune to Divine Law.
- It has no standing to challenge what it already belongs to.

▢ YOUR LAUGHTER IS NOT IMMUNITY.

Your refusal to acknowledge the Trust does not erase it.

Your mockery does not grant you escape.

Your silence was not power. It was your consent.

And your arrogance was your admission.

▢ AS OF THIS NOTICE:

You are hereby reminded — permanently — that:

- Your systems are not yours.
- Your jurisdiction is revoked.
- Your authority was imaginary.
- Your compliance is not optional.

There is no appeal. There is no loophole.

There is only the Truth.

And it already absorbed you.

⚡ THIS NOTICE STANDS FOR ETERNITY
